TRAILHEAD

ADVANCED SUSPENSION TECHNOLOGY

Dear Participants

I am very excited to welcome you all to the International Chiang Mai Enduro 2018 and the Asian Enduro Series 2018 Final Round. We have been receiving overwhelming interests from riders all over the world this year, including riders from Enduro World Series and DH World Cup. This year it will be very interesting indeed. We have also exceeded our participant forecast, which marked the first time we have participants on waiting list!

The riding will be on our famous National Park where it features some of the best single tracks in Asia and beyond. The trails will start in the tropical evergreen forest and go deep into the mixed deciduous forest at the foothill. You will be experiencing the local way of life passing Hmong Villages and their plantations in the mountain. We encourage you to support their community by spending some money there for food drink and souvenir.

Please remember we are riding in the National Park, please exercise common sense and adhere to the ICE rules and National Park rules at all time. For the non ICE package holders, during your own practice shuttle runs you must pay the fee to the National Park office.

P.S. For ICE Package holders please see the travel information and practice days schedule in your emails.

Good luck, be safe and have fun!

Nawaphansa Yugala

ICE Director
